## TEACHING

### SUMMER SCHOOL

*summer*                      *Locality in syntax* · ACTL summer school (Advanced Core Training in  
2025                              Linguistics), 1 week syntax class, 30 June – 4 July 2025, University of  
York

### UNIVERSITY OF YORK

*semester 1*                      *Syntax (foundations)* · Primary Instructor · Postgraduate Module ·  
2025/26                              Department of Language and Linguistic Science, University of York

*semester 2*                      *Advanced Topics in Syntax: Agree and agreement* · Primary Instructor ·  
2025                              Undergraduate/Masters Seminar · Department of Language and  
Linguistic Science, University of York

*semester 2*                      *Directed Readings in Syntax (topics: negative concord & ellipsis)* · Primary  
2025                              Instructor · Postgraduate Seminar · Department of Language and  
Linguistic Science, University of York

### GOETHE-UNIVERSITÄT FRANKFURT

*semester 2*                      *PCC and inverse marking: theory and data* · Primary Instructor ·  
2023                              M.A./PhD seminar · Department of Linguistics, Goethe-Universität  
Frankfurt

### UNIVERSITÄT LEIPZIG

*semester 1*                      *Simultaneous Interactions in Phonology, Morphology, and Syntax* · Primary  
2020/21                              Instructor (co-taught with Gereon Müller and Sam Zukoff) · M.A./PhD  
seminar · Department of Linguistics, Universität Leipzig

*semester 2*                      *Introduction to Formal Semantics* · Primary Instructor · B.A. lecture ·  
2020                              Department of Linguistics, Universität Leipzig

*semester 1*                      *Introduction to Syntax* · Primary Instructor · M.A. seminar · Department  
2019/20                              of Linguistics, Universität Leipzig

*semester 1*                      *Logic for linguists* · Primary Instructor · B.A. lecture · Department of  
2019/20                              Linguistics, Universität Leipzig

*semester 2*                      *Binding* · Primary Instructor · B.A. seminar · Department of Linguistics,  
2019                              Universität Leipzig

*semester 2*                      *Introduction to Formal Semantics* · Primary Instructor · B.A. lecture ·  
2019                              Department of Linguistics, Universität Leipzig

## UNIVERSITÄT POTSDAM

*semester 2*                      *Syntax-semantics Interface: Scope, Binding, and Pseudo-incorporation* ·  
                                          2020                      Primary Instructor · M.A. seminar · Department of Linguistics,  
                                                               Universität Potsdam

## BERGISCHE UNIVERSITÄT WUPPERTAL

*semester 1*                      *Introduction to Linguistics* (2 classes) · Primary Instructor · B.A. lecture ·  
                                          2015/16                      Department of English and American Studies, Bergische Universität  
                                                               Wuppertal

*semester 2*                      *Introduction to Syntax* (2 classes) · Primary Instructor · B.A. lecture ·  
                                          2015                      Department of English and American Studies, Bergische Universität  
                                                               Wuppertal

## SKILLS

*Technical*                      L<sup>A</sup>T<sub>E</sub>X, HTML, XML, ELAN, Toolbox, Labvanced, R, GitHub

*Languages*                      German (native), English (fluent)

*Additional*                      Aug 2018 · *Eastern Generative Grammar Summer School*  
                                          *Training*                      Banja Luka, Bosnia.  
                                                               Jul-Aug 2017 · *Eastern Generative Grammar Summer School*  
                                                               Olomouc, Czech Republic.  
                                                               Aug 2016 · *DGfS Summer School*  
                                                               Tübingen, Germany.  
                                                               Aug 2015 · *Eastern Generative Grammar Summer School*  
                                                               Brno, Czech Republic.  
                                                               Aug 2014 · *Eastern Generative Grammar Summer School*  
                                                               Debrecen, Hungary.

*Languages*                      German, English, Swedish, Norwegian, Icelandic, Italian, Greek,  
                                          (*research*)                      Korean, Mongolian, Turkish, B(osnian)-C(roatian)-S(erbian), Balinese,  
                                                               Limbum (Grassfields Bantu), Kipsigis (Southern Nilotic), Igala  
                                                               (Benue-Congo), Adyghe (Northwest Caucasian), Georgian (South  
                                                               Caucasian), Ewe (Kwa), Akan (Kwa), Yoruba (Benue-Congo), Igbo  
                                                               (Benue-Congo), Tamil (Dravidian), Mundari (Austro-Asiatic),  
                                                               Hungarian, child English, child German, child Dutch, child Georgian,  
                                                               child French, child Hungarian, child Italian

October 3, 2025
